New Teaching Series: Serpents & Doves

Jesus gives us a puzzling instruction in Matthew 10:16: we are to be as shrewd as serpents and as harmless as doves. In this series, we look at various examples from Scripture on how to combine the wisdom of a snake with the gentleness and innocence of a dove. This is no small feat, to be sure, but intentionally and artfully blending the two just might be the best way to live in and impact the world for Jesus.
