An Easter Welcome!

Easter is a special day for us here at Jericho. It was Easter Sunday back in 2005 in the cafeteria at RE Mountain that we launched our first public gathering! 14 years and several locations later, we are excited about being rooted in and reaching this neighbourhood. If you are new or visiting, I invite you to come on this journey with us. Stop by the welcome centre with any questions you have or check out the various connection points (events and groups) online. Happy Easter! - Pastor Brad

Hidden Figures - Welcome our Guest Speaker: Rose Gaudet-Hominick

As a graduate of Acadia Divinity School, Rose is no stranger to biblical scholarship. But she is also no stranger to suffering. Rose lives with Ramsay Hunt Syndrome and yet her spirit and her joy is evident to all who see her attending here on Sunday mornings. She lives just down the street from Jericho Ridge with her husband, Eric, and her tabby cat.

Upcoming Teaching Series: "Hey, Jude"

Next weekend, Pastor Brad will launch into an exploration of one of the shortest books of the Bible, the book of Jude. We'll explore how to disagree respectfully with other people, how to handle money and how to pray and much more.
