

## Family Ties

### **New Series: Faith in Faithlessness**

The book of 2 Kings covers almost 250 years of tumultuous history in the ancient kingdoms of Israel and Judah. This series will consider seven people whose chose to remain with God or to turn away from God. As we continue our family-inclusive march through the Old Testament during the summers, we will see how following God or turning from God can lead to similar outcomes in our own lives today.

### **Block Party - August 4**
