

Kids@ The Ridge

Family Time Devotional

Family Activity

In our lesson for today, Jesus went up to a garden to pray. Use Play-Doh to create a garden by making flowers and trees (if you do not have Play-Doh then draw a picture of a garden with your kids).

Prayer

Ask your kids to name one thing that they want to praise God for, one thing they are praying to God for, one thing that they are sorry for, and one thing that they are thankful for. Help your kids pray and praise God for each of the things they named.

Praying In The Garden

Lesson Video

The lesson video will be available on our YouTube channel.

Question

How did this story make you feel?

Say To Your Kids

Jesus went up to the garden to pray and to talk to his Father. Jesus knew that dying on the cross was going to be hard, but it was part of God's rescue plan. Jesus rescued us by dying on the cross and by coming back to life again.

Craft Idea

Find rocks outside and paint them bright colors or decorate them with markers. Place your beautiful new rocks into your garden or in a park close to your home.
